

Faith & Ecology Conversation Series:

Renewal in the Wilderness

... Connecting with God in the Natural World

(inspired by the book of the same title by John Lionberger)

**Every 3rd Tuesday
of the Month
7:00 - 8:30 p.m.**

The Faith & Ecology conversation series invites persons of all faiths and spiritualities to gather to reflect upon and converse about a chosen word or topic for the month.

Various series and themes draw us into reflection and conversation on how faith and spirituality intersect with our lives and the natural world.

Please note that sometimes the third Tuesday falls on a day that has special significance to a particular faith tradition. We mean no disrespect but have a commitment for that time slot.

*Please come prepared
to spend half an hour outside,
no matter the season.*
